Ace hits another one out of the ball park.

Ace Lacewing, Bug Detective, is back in his third crime-solving adventure—and this time he’s in the big leagues. The Motham City Stinkbugs finally have a chance at winning the pennant, but somebody has stolen Buggy Goldwing’s lucky bat. Was it Mickey Mantis, Fly Cobb, Derek Skeeter, or Big Hoppi Leafhopper? When Ace takes the mound, bad bugs are going to strike out.

Teeming with puns and sight gags, the latest Ace Lacewing mystery will have young readers turning the pages and looking for clues everywhere.

David Biedrzycki has been drawing ever since he was a little larva. During his pupa stage, he did scenery and art for middle school and high school plays and posters. As a young adult, he bugged his parents to send him to college. Ace Lacewing, Bug Detective was the first book that David both wrote and illustrated. He has also illustrated many books, including The Beetle Alphabet Book, Dory Story, and Underwater Counting: Even Numbers. He makes his nest in Medfield, Massachusetts, with his mate, Kathleen, and their three larvae, Justin, Alec, and Julia. Visit David at www.davidbiedrzycki.com.
