Piggies plot a peculiar path.

Piggies roam and ramble all around the farm while Mom sleeps in the pumpkin patch. These piggies get into a lot of mischief and into a lot of trouble while they introduce young readers to prepositions of direction, rhyme, and assonance—and a whole lot of fun.

Mary Peterson's irresistibly adorable illustrations make this great read-aloud even more fun with action-packed scenes of piggies discovering their barnyard world.

Mary Peterson has illustrated many books for children, including Ocean Soup, Wiggle and Waggle, No Time to Nap (Heyday), and Cat on Wheels (Boyd's Mills). Piggies in the Pumpkin Patch is the first book that she has both co-authored and illustrated. Mary lives in Los Angeles, California. Visit her at www.marypeterson.com.

Jennifer Rofé encourages children to run amok, have fun, and go on grand adventures! Jennifer lives in Los Angeles, California, with her cats, Dylan and Katsumoto, who are suspiciously similar to the piggies in this, her first picture book.
